

March 20, 2010

Dear Business Owners, Friends and Neighbors,

On March 8th at 10pm, 11-yr old Wyatt Miller had a stroke while he was sleeping. He was airlifted to Grand Rapids DeVos Children's Hospital and is now at Mary Free Bed Rehab for 6-8 weeks.

Obviously, this has thrown their lives into turmoil, and financially this is going to be devastating. So we are holding a benefit fundraising event for the Miller Family on Saturday, April 17th at the Kalkaska Commission of Aging from 5pm – 8pm. All of the funds raised from this event will go to the family to help with the expenses of this life-changing event.

Please consider donating an item that we can use in the silent auction. We can provide you with a receipt for your tax records.

Please contact me at (231) 499-4424 or email me: mike@majorencounters.com so we can make arrangements. I'd like to pick up donated items by April 15th.

Sincerely,

Mike Major & Union Kate

Event Coordinator / Miller Fundraiser
